

September 2005

Sample Club

Dear Sample Name

The August Gaming benchmarks have been published. It has been a big month all round with a record 20 new games published in the Dynamic Gaming Report and 8 new clubs inducted into the gaming benchmarks. This month, we feature a breakup of gaming product by each state, looking at the distribution of stand-alones, internal & premium links and Multi-Terminal Global Machines.

August Gaming Statistics

Stand Alone vs Link Averages

The following month and year comparisons are snapshots directly from the Dynamic Gaming Report.

TIP: After you click on the following links, you may need to press F11 on your keyboard to view the image in full screen.
